TO WHOM SO EVER IT MAY CONCERN

We are pleased to learn that Delhi/NCR Chapter of GOPIO in collaboration with their local partner company 'Emboss Reunion', will be organizing 'Best of Bharat' Trade Expo at the Nordev Exhibition Centre in Saint-Denis on the rescheduled dates from 20-24 November 2024.

This event proposes to bring together Indian manufacturers, exporters and French businesses based in the Reunion to provide them an excellent opportunity to showcase their innovative products for the Reunion market. The event will also have elements of cultural shows. Indian restaurants are also expected to participate in the expo thereby providing general public true tasting experience of authentic Indian cuisines which is not generally available in the Reunion. Given the large number of People of Indian origin living in the Reunion and their share in the local businesses, the event has the potential to attract local businesses and general public which will further enhance the India- France trade relations and boost people to people contacts.

Consulate General of India in Saint Denis wishes GOPIO and Emboss Reunion a grand success and extends its support for this event.
